

# DRY KIT IS IN THE BAG

Don't let your kit get washed away in a flood - check out our selection of waterproof riding rucksacks

## Kriega R30

The most expensive bag here comes with a 10-year guarantee and has a 100% waterproof main compartment with a rolltop closure and reflective panel. There are two external pockets and fixing points for optional extra five or 10-litre bags. The chest harness is designed to take the load off the rider's shoulders.

**Capacity:** 30 litres

**Colours:** Black

£139

£69.99

## Bagster Everglade

This 100% waterproof backpack has removable straps so it can be converted to a tailpack.

There's a net on top for additional carrying capacity and the logos are made from reflective material to light up in a car's headlight beam. It's also available in a smaller 20-litre size at £64.99.

**Capacity:** 30 litres

**Colours:** Black
