

Banish numb fingers and keep riding for longer as the temperature starts to plummet

Rev'IT Bastion GTX
£139.99

Gore-Tex with a leather palm and textile at the back of the hand. There's a slider at the heel of the palm, reinforcement on the outside of the hand and padding on the knuckles, which is covered by abrasion-resistant Superfabric. There are Velcro closures at the wrist and cuff. Rubber visor wipe on the left forefinger.

Sizes: XS-XXL. Colours: Black only
More info: www.revit.eu

Rukka R-Star
£189.99

Like the Held gloves, these have a twin-entry opening that lets the rider choose whether to have extra insulation on the palm or at the back of the hand. This will appeal to those who ride with heated grips and would prefer better feel, and more warmth on the back of the hand. All leather with Gore-Tex and a visor wipe.

Sizes: 7-13. Colours: Black only

Richa Carbon Winter
£34.99

Simple waterproof winter glove, with a Hipora waterproof and breathable membrane and a mostly textile construction, with a leather palm. It has knuckle padding and a rubber visor wipe on the left forefinger, which is more than can be said of some of the pricier gloves here. There's a Velcro wrist restraint and a pull-cord cuff.

Sizes: XS-XXL. Colours: Black only
More info: www.nevis.uk.com

Furygan Iron
£79.99

Leather with a shorter, sportier construction than most. There's hard armour at the knuckles, padding at the heel of the palm and restraints at the wrist and cuff. The seams are all internally stitched to keep the thread away from impact with the road, and there are overlays on the vulnerable areas at the sides of the hands.

Sizes: S-3XL (ladies version in S-XL). Colours: Black only
More info: www.nevis.uk.com

ARMR Moto WPL250
£49.99

All-leather with internal stitching to keep it from wearing away in a crash. It has a Hipora waterproof and breathable lining, insulation against the cold and restraints at both wrist and cuff. There are abrasion-resistant Superfabric reinforcements at the heel of the palms and plastic knuckle protectors.

Sizes: XS-3XL. Colours: Black only
More info: www.tri-motive.com

Knox TechStyle
£64.99

Mostly textile, with leather on the palm. Scaphoid sliders mean the glove will slide on impact with the road rather than gripping and potentially causing fractures. It also has a close-fitting neoprene inner cuff to keep draughts at bay. This means there's no need for a cuff closure, but there is a wrist restraint.

Sizes: S-XXL. Colours: Black only
More info: www.knox-armour.co.uk

Wolf Titanium WP Outlast
£89.99

Gloves with leather on the palm and textile on the majority of the back of the hand. The gloves have a Hipora membrane and use Outlast which stores body heat to stop it escaping too quickly and also keeps bulk down. The gloves have knuckle protection, grippy panels across the palms and Velcro wrist and cuff closures.

Sizes: S-XXL. Colours: Black only
More info: www.wolf-moto.com

ProBiker Arctic 4
£54.99

Made from leather and textile, this German company's gloves are well-insulated and offer simple protection. They have a Hipora membrane and Thinsulate lining. There are Velcro restraints at the wrist and cuff and leather overlays from the base of the palm to the tip of the little finger. Includes a visor wipe.

Sizes: XXS- 4XL. Colours: Black only
